FOREWORD

The Gammadion Greet you!

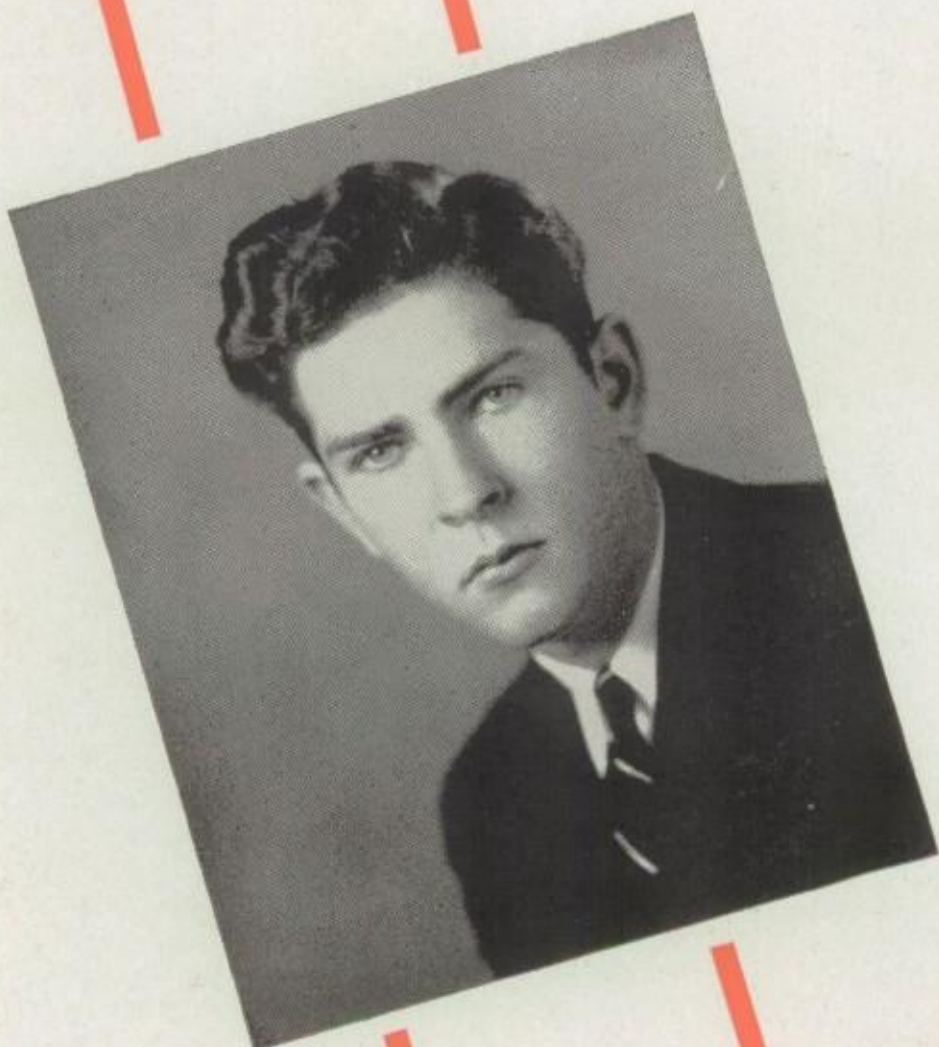

The theme of this year's publication is the Golden Age of Greece. During that age the Greeks of old sought to perfect themselves in spirit, in mind, and in body. The spirit found expression in sculpture, painting, poetry, and drama; the mind, in science and philosophy; and the body in athletic games and contests designed to promote health, strength, and beauty. The Golden Age has remained throughout the centuries the symbol of man's closest approach to an ideal civilization.

We at Albany High School today are striving toward that same goal. Through a multitude of activities, both inside and outside the classroom, we too are struggling onward toward a finer civilization.

It is the hope of the Staff that this, the second Gammadion, will serve as an inspiration to the whole student body, especially to the 1939 graduating classes. May the Seniors regard this book as an expression of our faith in them and our hope for their success.

We say to those who are leaving us, "Farewell." Gammadion adds, "Good Luck."

1938 BOARD OF CONTROL

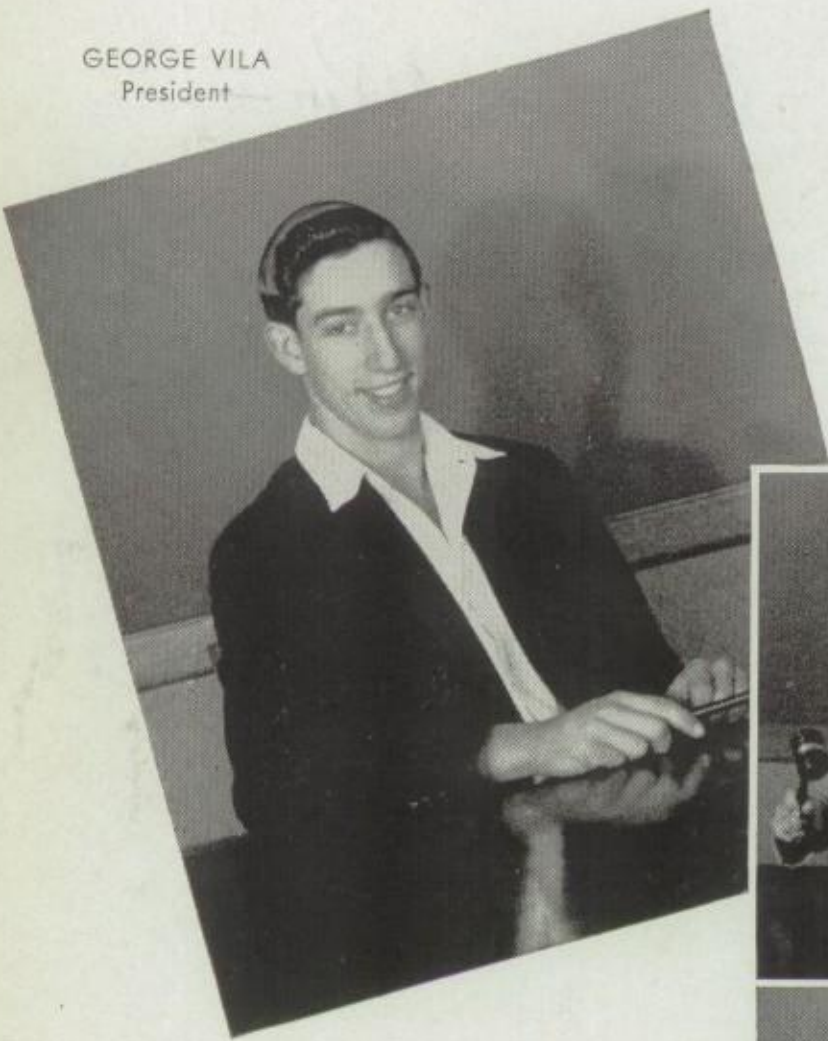

Under the leadership of President George Vila, the Student Body of Albany High moved into the most prosperous financial era of its existence.

The increase of funds available for Student Body purposes is traceable to two principal sources, (1) the increased attendance at foot ball games since Albany joined the Alameda County Athletic League; (2) the generous sums contributed to the Student Body treasury by the Albany High Dad's Club. These amounts represented a share in the profits of the Saturday night dances at Marin Auditorium.

President Vila, assisted by an able Student Board of Control, handled the appropriation of these funds with honesty and efficiency.

Many other important measures were acted upon under the Vila administration. For example, the method of voting was changed. A common polling place was substituted for the advisory system which resulted in increased accuracy.

1939 BOARD OF CONTROL

Under the leadership of President Charles Tschanner, the spring board of control put into effect many new rulings. The board devised a budget designed to leave more money available to the Fall Board of Control for its activities.

One of the most important rulings was the one restricting the lending of school equipment. All school equipment must be used in school activities and games.

The idea of buying student body cards yearly instead of semi-annually was brought up and presented to the student body at a special election. The bill was defeated by about one hundred votes. However, many students hope that the new plan may be adopted in the future.

STUDENT COURT, 1938

A. Niemann, Secretary; T. DeMonte, M. Hawkins, C. Ness, J. Guay, B. Theilacker, D. Hatch, Bailiff.

STUDENT COURT

Showing great progress in student administration, the Student Court of Albany High handled approximately three hundred cases covering traffic violations and student citizenship last year.

The Student Court was organized in 1937 by President Anderson and consists of a Chief Justice, four Associate Justices, a Court Clerk, and a Bailiff. Under the counsel of Vice-Principal Feeny the Court has had a very successful past in helping adjust the differences of school life.

TRAFFIC CONTROL

The Albany Traffic Control is the principal law-enforcing body of the High School. Aided by the Hall Guards, it tries to bring to justice all violators of the law.

It is required that all members of the Traffic Control be in the eleventh or twelfth grade and maintain at least a B average in their studies.

The Traffic Control is governed by an executive board chosen by the membership. The members of the Board elect their president and secretary. This form of government has been very successful in the past, and the society has enjoyed success as a social organization as well as a servant of student justice.

One of the highlights of the school activities each year is the Senior Honor Society's annual Public Speaking Contest. Previously an elimination contest was held from which five finalists were chosen.

The judges of the final contest were: Professor Perstein of the University of California; Mr. Hess and Mr. Teasdale of the Board of Education. The winners of the contest in the order named, were: Jim Scanlan, Edwin Quinnell, and Bud Fletcher.

This year Albany High's Debating Club proved themselves to be one of the most progressive organizations of the school. The club began the year with a debate which was presented at one of the assemblies. The question for debate was Resolved: That Capital Punishment Should Be Abolished by Law in the United States.

A challenge was sent to St. Mary's High for a debate held May 3rd. The event was planned with the idea of making it an annual affair. This year the question for debate was Resolved: That Socialized Medicine Should Be Adopted by Law in the United States. The team debating for Albany consisted of Bill Rockwell, Ed Quinnell and Eva Vila.

Just before the Easter Holidays the April Fool edition of the Newsette made its appearance. This edition, which hasn't a word of truth in it, will be an annual feature.

Using a more complicated offensive, Albany got off to a strong start last season, holding Poly to a scoreless tie and giving the best team Crockett has had in years a 22-0 defeat. Bad luck overtook the Cougars, however, and we were defeated by our inter-city rivals, St. Mary's.

In a night game at San Jose, Albany fans saw a very strong Cougar eleven defeated 7-0 by one of the best Frosh teams in the history of San Jose State.

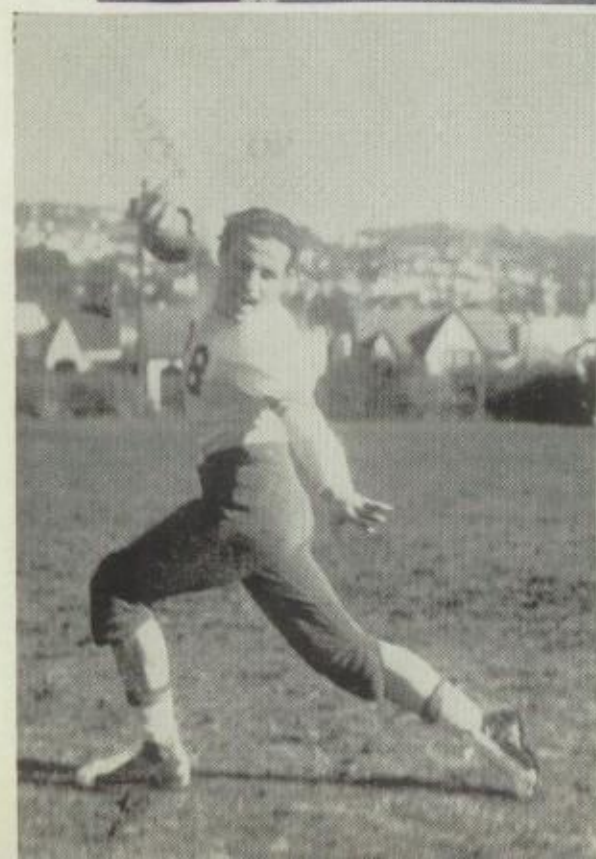

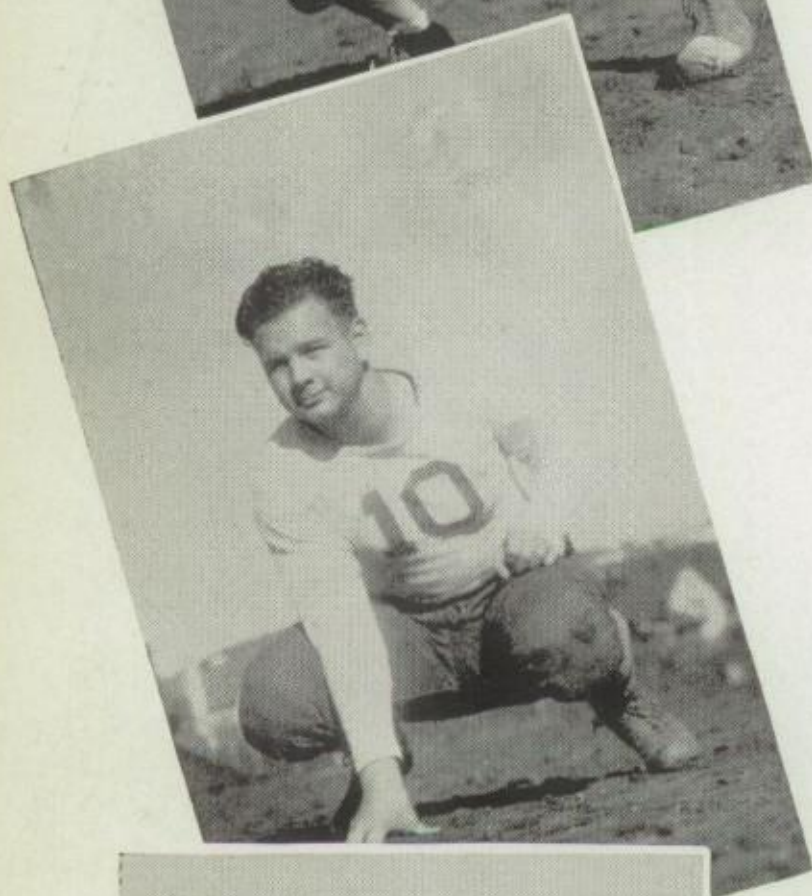

In A. C. A. L. competition we lost to Piedmont, 6-13; to Richmond, 0-14, and to Berkeley, 0-7; tied Alameda, 6-6, and lost to Hayward, 7-8.

The Berkeley game was a highlight in the 1938 season. The Cougars outplayed the Yellowjackets until the last one and one-

The first half of the game had ended with Albany on Berkeley's four-yard line. Evidence of Albany's superior playing was the number of first downs: Albany 11, and Berkeley 2.

Captain Joel Guay, Charles Tscharnor, and Tony Delorefice were outstanding as team leaders.

Jack Briscoe and George Vila turned in very fine performances. Both made the all-A. C. A. L. team.

BASKETBALL

Despite Coach Callan's best efforts, the Albany basketball team experienced a dismal season. Out of 20 games played 14 were lost. Callan's boys did win 6 contests proving that the game is not a dead art at Albany.

The Cougars, paced by Lehman and Samaha, opened their season with an impressive 31-25 win over Mt. Diablo. Albany played its best game of the season, smothering San Leandro 41-21. A loss to Crockett and a win over Emeryville fol-

Perhaps it was the strain of a long schedule or the lack of a gym of their own that caused the quintet to lose the remaining games.

BASEBALL

This year one of the best ball clubs ever to represent Albany on the diamond turned out for Coach Kelly Bryan's yearly call. Coach Bryan had a team composed of veterans plus a few new men who showed promising signs last year. Art Barassi was given the third base job this year, and he proved a big help in Albany's hitting during the season. The team that generally took the field for Albany: Cola, catcher; Lehman, first base; Tscharner, second base; McNamera, short stop; Barassi, third base; Pitter, right field; Houser, center field; Guay, left field, with Samaha, Zimmer, Bothun, or DeRose pitching.

As this publication went to press, Albany was leading the league with wins over Alameda, Richmond and Hayward, with one loss to our traditional rivals, Berkeley High.

MISS ROBERTSON

GIRLS' ATHLETIC ASSOCIATION

The Girls' Athletic Association at Albany High was founded six years ago to promote athletic and social activities among the girls and to encourage the highest ideals of good sportsmanship and good fellowship.

The G. A. A. should be highly commended for the splendid work it has done in organizing the girls inter-class sport program, the social affairs it sponsors, and in general for promoting the ideals for which the organization stands. Without such an organization it would have been next to impossible to do the work which it has thus far accomplished. As Faculty Advisor, Miss Robertson should be complimented for the excellent work she has done in organizing the Association.

GIRLS' ATHLETIC ASSOCIATION

Along with the rest of the activities of the G. A. A., more numerous and successful Play Days were enjoyed by the girls this year. Even though Play Day has been a part of the G. A. A. activities since the Association was organized, we have never seen such a show of enthusiasm as we saw this past spring.

During the spring term the girls of our association were guests at Berkeley High, where one of the most entertaining times of the semester was experienced. At the 1939 East Bay Federation, which was held in Richmond, the Albany G. A. A. was represented by twelve delegates, who, from all reports, enjoyed a most pleasing and successful day. Terminating our Play Day activities, our G. A. A. was host to thirty girls from Berkeley and Richmond High Schools.

In time to come we hope that the G. A. A. will be able to look ahead to Play Days which will be even a greater success than those we have had the pleasure of knowing this year.

GIRLS' SPORTS

The girls' intra-mural sport season was highly successful, with the twelfth grade carrying off the honors, winning two out of three tournaments. The basketball championship went to the high twelve Smith advisory, while Miss Ross and Mr. Feeny's low twelve advisories took top honors as volleyball champions. Making its first appearance this year was the Junior Basketball Tournament, which was won by the high eight advisory of Miss Bowen. The hockey contest was won by the high eleven advisories of Mrs. Dietschy and Mrs. Koontz. Tennis was played but as no inter-class tournament was scheduled, the girls held an elimination contest to determine the first three on the advanced ladder.

As the results of the baseball tournament are not known until after we go to press, the most we can do is make the observation that last year's champions are still in the running and have an excellent chance of taking the championship again this year.
